### **PENNY LANE CENTERS FOSTER FAMILY AGENCY CONTRACT COMPLIANCE REVIEW**

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Contract Compliance Review of Penny Lane Centers Foster Family Agency (the FFA) in May 2015. The FFA has three licensed offices located in the First, Third, and Fifth Supervisorial Districts and provides services to the County of Los Angeles DCFS placed children, Probation placed youth as well as children from other counties. According to the FFA's Program Statement, its stated purpose is "to provide children with continuity of care, nurturance and services to meet their individual needs and those of their families."

At the time of the review, the FFA supervised 332 DCFS placed children in 218 Certified Foster Homes (CFHs). The placed children's average length of placement was 14 months and their average age was seven.

### **SUMMARY**

During CAD's Contract Compliance Review, the interviewed children generally reported: feeling safe at the FFA's CFHs, having been provided with good care and appropriate services, being comfortable in the placement environment and being treated with respect and dignity. The Certified Foster Parents (CFPs) reported they were supported by the FFA staff in their efforts to provide care, supervision and service delivery to the children placed in their homes.

The FFA was in full compliance with 9 of 11 areas of CAD's Contract Compliance Review: Certified Foster Homes; Facility and Environment; Education and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; Discharged Children; and Personnel Records.

CAD noted deficiencies in the areas of: Licensure/Contract Requirements, related to Special Incident Reports not timely submitted or appropriately cross-reported and Community Care Licensing (CCL) citations; Maintenance of Required Documentation and Service Delivery, related to the FFA not obtaining or documenting efforts to obtain the DCFS Children's Social Worker's authorization to implement Needs and Services Plans (NSPs), the FFA Social Workers not developing timely,

comprehensive Initial and Updated NSPs with the child's participation and the FFA Social Workers not developing timely and comprehensive quarterly reports.

Attached are the details of CAD's review.

### **REVIEW OF REPORT**

On November 30, 2015 Theodore Howard, DCFS CAD and Greta Walters, DCFS Out-of-Home Care Management Division (OHCMD) held an exit conference with the FFA representatives: Dr. Judith Sandino LCSW, Director of the FFA, Adoption and Family Preservation Programs; Trisha Stewart, Regional Director; Monica Smith, Regional Director; Charita Carillo, Regional Director; and Shannon Houselog, Assistant Regional Director. The FFA's representatives were in agreement with the review findings and recommendations, were receptive to implementing systemic changes to improve the FFA's compliance with regulatory standards and were in agreement with addressing the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this compliance report has been sent to the Auditor-Controller and CCL.

The FFA provided the attached approved CAP addressing the recommendations noted in this compliance report. OHCMD provided technical assistance to the FFA on December 7, 2015, to assist the FFA with implementing their CAP.

**PENNY LANE CENTERS FOSTER FAMILY AGENCY  
CONTRACT COMPLIANCE REVIEW  
FISCAL YEAR 2014-2015**

**SCOPE OF REVIEW**

The following report is based on a "point in time" review. This compliance report addresses findings noted during the May 2015 review. The purpose of this review was to assess Penny Lane Centers Foster Family Agency's (the FFA's) compliance with its County contract and State regulations and included a review of the FFA's Program Statement as well as internal administrative policies and procedures. The compliance review covered the following 11 areas:

- Licensure/Contract Requirements,
- Certified Foster Homes,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Education and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children,
- Personal Rights and Social/Emotional Well-Being,
- Personnel Records.

For the purpose of this review, 12 placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed each child and reviewed their case files to assess the care and services they received. During the interviews, the children were observed to be comfortable and well cared for in the Certified Foster Homes (CFHs) and the Certified Foster Parents (CFPs) were observed to be attuned to the needs of the children. Additionally, four discharged children's files were reviewed to assess the FFA's compliance with permanency efforts. At the time of the review, 15 placed children were prescribed psychotropic medication. CAD reviewed the children's case files to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

CAD reviewed 10 CFP files and five staff files for compliance with Title 22 Regulations and County contract requirements. Interviews were conducted with 10 CFPs to assess the quality of care and supervision provided to the children.

**CONTRACTUAL COMPLIANCE**

CAD found the following two areas out of compliance:

**Licensure/Contract Requirements**

- Special Incident Reports (SIRs) were not submitted timely or appropriately cross-reported.

CAD reviewed 27 SIRs and found that one was not submitted timely and appropriately cross-reported to the Out-of-Home Care Management Division (OHCMD), Community Care Licensing (CCL) and the

DCFS Children's Social Worker (CSW). The incident involved a child who received a citation for shoplifting but the corresponding SIR was not in the file.

- CCL citations.

CCL cited the FFA as a result of a complaint received on October 30, 2014. According to the report dated March 30, 2015, CCL substantiated an allegation that a CFP transported a placed child without a booster car seat on or about September 5, 2014. The FFA immediately relocated the child and the other placed children from the CFH. There were other investigations in progress. The FFA involuntarily decertified this CFH effective February 6, 2015. The Out-of-Home Care Investigations Section (OHCIS) placed the CFP on an "Indefinite Hold" effective February 25, 2015. CCL accepted the FFA's decertification of the CFP as the Plan of Correction (POC) on February 6, 2015.

CCL cited the FFA as a result of a complaint received on March 6, 2014. According to the report dated October 1, 2014, CCL substantiated an allegation that the CFP grabbed the face of a placed child in an attempt to get the child's attention. On July 8, 2014, CCL required the FFA's POC to include personal rights and appropriate discipline training for the CFP, a reduction of the CFPs capacity to one child, weekly one-on-one meetings in the CFH and regular unannounced visits. CCL accepted the POC on October 1, 2014.

### **Recommendations:**

The FFA's management shall ensure that:

1. SIRs are submitted timely and appropriately cross-reported in accordance with guidelines.
2. The FFA is in compliance with Title 22 Regulations and free of CCL citations.

### **Maintenance of Required Documentation and Service Delivery**

- The FFA did not obtain or document efforts to obtain DCFS CSW's authorization to implement Needs and Services Plans (NSPs).

For one reviewed file there was no DCFS CSW signature on two Updated NSPs. There were no documented attempts by the FFA to obtain the DCFS CSW's signature.

- The FFA Social Workers did not develop timely, comprehensive Initial NSPs with the child's participation.

For one reviewed file the Initial NSP was signed five business days after it was due. For another reviewed file the Initial NSP was not signed by the child.

- The FFA Social Workers did not develop timely, comprehensive Updated NSPs with the child's participation.

PENNY LANE CENTERS FOSTER FAMILY AGENCY CONTRACT COMPLIANCE REVIEW  
PAGE 3

For two reviewed files an Updated NSP was not signed by the child. For another reviewed file an Updated NSP was signed by the child more than five business days after it was due.

- The FFA Social Workers did not develop timely, comprehensive quarterly reports.

For one reviewed file, one quarterly report was 30 days late and another quarterly report was not in the file.

**Recommendations:**

The FFA's management shall ensure that:

3. The FFA obtains or documents efforts to obtain the DCFS CSW's authorization to implement NSPs.
4. The FFA Social Workers develop timely, comprehensive Initial NSPs with the child's participation.
5. The FFA Social Workers develop timely, comprehensive Updated NSPs with the child's participation.
6. The FFA Social Workers develop timely, comprehensive quarterly reports.

**PRIOR YEAR FOLLOW-UP FROM DCFS OUT-OF-HOME CARE MANAGEMENT DIVISION'S (OHCMD'S) FOSTER FAMILY AGENCY CONTRACT COMPLIANCE REVIEW**

The OHCMD's last compliance report dated July 8, 2013, identified eight recommendations.

**Results:**

Based on the results of this review, the FFA implemented 5 of 8 previous recommendations for which they were to ensure that:

- Prior to certification of a foster home, the FFA will submit an inquiry to OHCMD for historical information.
- Placed foster children are supervised by the CFPs or substitute caregivers at all times and the FFA staff will ensure that the CFPs are routinely reminded of the supervision policy and will monitor the homes for ongoing compliance.
- All CFPs have the required health screenings to include verification of Tuberculosis tests in accordance with Title 22 Regulations and that documentation is maintained in the CFP files.
- Vehicle maintenance for all CFPs or their designated drivers will be completed annually and documentation will be maintained in the CFP's files.

- DCFS CSWs are contacted monthly by the FFA Social Workers and contacts are appropriately documented in the children's case files.

Based on the results of the current review, 3 of 8 recommendations were not implemented.

- SIRs are appropriately reported and documented in a timely manner.
- The FFA is in compliance with Title 22 Regulations and free of CCL citations.
- The FFA staff documents efforts to obtain the DCFS CSW's authorization to implement the NSPs.

**Recommendation:**

7. The outstanding recommendations from the report dated July 8, 2013, which are noted in this report as recommendations 1, 2 and 3 are fully implemented.

The FFA representatives expressed their desire to remain in compliance with Title 22 Regulations and contractual requirements. The FFA will implement procedures to strive towards greater compliance. CAD will continue to assess implementation of the recommendations during the next review. OHCMD will provide ongoing support and technical assistance prior to the next review.
